

Evans' Express

For the Weeks of August 30-Sept. 3

Our mission is to give a child a sense of worth through a strong ability in the basic academic skills, through a sense of being a child of God and a part of a faith-centered community, and through development of their physical and creative skills so they can successfully continue in other academic areas.

Whew! It has been a busy first full week of school. Our feet are getting wetter and we are picking up the pace. I am so proud how my students are catching onto their routines. What a bright group! As you will notice all of their first tests will be open book tests. I like to give them an opportunity to see what I expect from a test before I send them off on their own. It is such a big jump from 3rd. Thank you for your support and patience. Mrs. Evans
