First Grade News

We are getting a new reading book! The first story in our new reading book is Mama's Birthday Present. It is a realistic fiction story about a birthday surprise. We will work on sequencing and drawing conclusions.

We will start chapter 13 in English. The English lessons will enforce the skills we have learned. The new skill involves adding a creative subject or predicate to a fragment.

We will begin Topic 6 in Math. We will be working on representing and interpreting data. We will read and interpret graphs and make graphs.

"Our mission is to give each child a sense of worth through a strong ability in the basic academic skills and a sense of being a child of God, as a part of our faith centered community."
