Please study at home.

## Reading

Our new story is The Farmer in the Hat. It is a realistic fiction story about classmates putting on a play. We will focus on cause and effect. We will have a reading test Friday. I will send a study guide.

## English

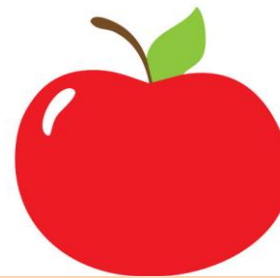

We will continue working on chapter 6. We will write and classify sentences using A ( article adjective), SN ( subject noun, V (verb), ADV ( adverb),and ADJ (adjective). We will also work on editing sentences. We use capitalization and punctuation correctly.

## Science

We have a science test Thursday. The children need to identify pictures of broad leaves, pine needles, deciduous trees, evergreen trees, seedlings, and pine cones. They should know that you can count the rings on a tree to find the tree's age. They need to know that we can pick ripe apples in fall. They will label the parts of an apple tree , ( leaf, fruit, branch).

## Math

**Topic 3= Addition facts to 20**

As you know, the behavior calendars have been replaced with Class Dojo. A child must have 25 points on Friday in order to visit the treasure box. If a child is absent, or if we have a short week, I will adjust the points needed to earn a treasure. The goal is 5 per day.
