Home Extensions

Math- We will continue Multiplication Boot Camp. This week's timed quiz will be on the 9's (9x0 through 9x12 unless your child is still working on a previous week's facts). We are getting to a point in the math series where it is **IMPERATIVE** that students know how to quickly solve multiplication facts. Please work with your child if this is a challenge.

Reading- Seasonal readings.

English- Subject nouns, verbs, adjectives, and adverbs. Continue editing sentences, analogies, and synonyms/antonyms. Look over English workbook pages and check for understanding. Ask your child to sing the jingles we are learning in class! We are also working on writing paragraphs.

Dates to Remember:

Jan, 8- Muffins with Mom

Jan. 15- No school, Martin Luther King, Jr. Day
