## Lots of Learning...

**Reading-** Our story this week is "The Man Who Named the Clouds." The vocabulary is always uploaded on spelling city. It is not required but is great practice. Your child will also have this information in their interactive notebook.

**English-** The next English test will be on Thursday. Students should be able to classify sentences, edit sentences, identify analogies, know the difference between S, F, SCV, SCS, & CD, and know the new vocabulary words.

**Math-** Our chapter 4 math test will be given on two separate days due to the length of the test. We will take part 1 on Tuesday and part 2 on Wednesday. We will not have a multiplication quiz this week. Next week will be 3's.

**Social Studies-** We are continuing to learn about new colonies and New England's economy.

**Science-** We will still be focusing on the classes of arthropods and the life cycle of insects. Mollusks will be described and identified.

**Religion:** We will discuss the Lord's Day and have our Ch. 11 test on Thursday.

## Upcoming Tests

Tuesday/Wednesday: Math  
Thursday: Reading, Spelling, Religion,  
& English
